Chennai,Tamil Nadu
9003958897

SUMMARY

Highly skilled and creative Front-End Developer with over in designing and implementing responsive websites using **HTML, CSS, BootStrap, JavaScript, Jquery, React.js** and various front-end frameworks. Proven ability to collaborate to deliver high-quality applications that meet business objectives. Seeking to leverage my technical and professional expertise to grow in the new role of Front-End Developer.

PROJECTS

HTTPS://TECHWEB-TECHNOLOGYS.NETLIFY.APP/

Self – Practicing Projects

As a skilled web developer with expertise in **HTML5**, **CSS3** and **JavaScript**, I have created dynamic and engaging websites for various clients. I utilized my proficiency in these languages to develop responsive and user-friendly interfaces, while also ensuring optimal performance and functionality. I implemented cutting-edge JavaScript to create interactive and visually appealing web applications. Additionally, I leveraged my knowledge of CSS to streamline development processes and create scalable and maintainable stylesheets. I am confident in my ability to deliver high-quality websites that exceed client expectations.
